Research Title: Togetha: A Personalized Academic Platform with AI Tutoring Assistant 'Rina' for Health Science Students at the University of the Immaculate Conception

Date	Members Present	Accomplishments	Suggestions
July 31, 2025	Yaco	- Consulted with the adviser regarding the UIC REC requirements, specifically Forms 32 (Checklist), 33 (Protocol Information Form for Exemption), and 35 (MOA for Authorship). - Clarified points of confusion on how to properly fill out certain sections of the forms (e.g., protocol code, principal investigator, required signatures, and endorsement form). - Adviser confirmed guidance on which fields are to be filled out by the researchers and which will be completed by REC. Adviser affixed her e-signature on the edited REC_FO_0035 (MOA for Authorship) for submission.	- Ensure that all REC forms are completely and correctly filled out before submission. - Double-check required attachments as indicated in Form 32 to avoid delays in validation. - Keep close coordination with the REC for clarifications, especially regarding the Endorsement Form required before the Final Defense.
