Protocol Code: **UG-EX-08-25-0183**

Subject: **Certificate of Exemption from Review**

Dear **Mr/Ms. Yaco**,

This is to acknowledge receipt of your request and the following supporting documents on August 20, 2025.

- **Minutes from the technical panel for the proposal defense**
- **Protocol/thesis proposal approved by the technical panel**
- **Protocol information form for exemption (PIFE)**

After a **PRELIMINARY** review on August 26, 2025, of the above documents stating the utilization of secondary data for modeling purposes, the UIC - Research Ethics Committee deemed it appropriate that the above proposal be **EXEMPTED FROM REVIEW**.

This means that the study may be implemented without undergoing an expedited or full review. Neither will the researcher/investigator be required to submit further documents to the committee as long as there is no amendment nor alteration in the proposal/protocol that will change the nature of the study nor the level of risk involved.

Very truly yours,

Mona L. Laya, PhD
